Notes to Editors:

About hVIVO plc

hVIVO plc ("hVIVO") is developing a pioneering human-based analytical platform to accelerate drug discovery and development in airways diseases. Leveraging human disease models in flu, RSV and asthma exacerbation, the hVIVO platform captures disease in motion, illuminating the entire disease life cycle from healthy to sick and back to health. Based in the UK, market leader hVIVO has conducted more than 50 clinical studies, inoculated over 2500 volunteers and has three first-in-class therapies currently in development with a growing pre-clinical pipeline.
